

The BOCAR.CA logo is centered on the page. It features a large, stylized white outline of a car's front end, including the hood, headlights, and grille. The text 'BOCAR.CA' is superimposed on this outline. 'BO' is in red, 'CAR' is in white, and '.CA' is in a smaller white font. The background is a dark, high-contrast image of a car's interior or exterior, possibly a steering wheel or dashboard area, with a glowing white outline of the car's front end.
