To be applied on exterior trim.

GTECHNIQ Wheel Armour

Wheel coating

- 1 to 2 years durability

Gtechniq Clear Vision Smart Glass

Coating for windshield 2 years

GTECHNIQ Crystal Serum Ultra

- 10h paint protection
- 9 year guarantee

GTECHNIQ C6 Matte Dash

- C6 Matte Dash is specifically designed to protect dashboard and door card materials including vinyl, plastics and rubberised finishes.
- The coating adds abrasion resistance and UV protection to treated surfaces. And with added Biocote® antimicrobial technology, treated surfaces kill 99.9% of bacteria.

GTECHNIQ G6 Perfect Glass

- Strong cleaning function
- Zero smear pure formula
- Anti static effect

GTECHNIQ I1 Smart Fabric

- Liquids rolls off the surface with zero staining
- I1 coats each fibre individually for maximum protection
- Texture of fabric remains unaffected allowing it to breathe
- Works well on convertible roofs with great durability

GTECHNIQ L1 Leather Guard

L1 Leather Guard forms a durable abrasion resistant matte finish which offers the best ever protection against abrasion damage, UV rays, dye transfer and other discolouration.

- Antibacterial
- 3 to 12 months durability
- Abrasion resistant

GTECHNIQ G4 Nanotech Glass Polish

- G4 Nanotech Glass Polish is a water based cleaner for glass and ceramics containing nano abrasives and citric acid which ensure a scratch and smear free finish every time.
- G4 Nanotech Glass Polish represents a quantum shift in the effectiveness of glass polishing technology delivering previously unattainable polishing speed and effectiveness.

GTECHNIQ MF4 Diamond Sandwich Microfibre Drying Towel

- Dries to a streak free finish
- Unlike standard microfibre cloths, MF4 can be easily wrung out

GTECHNIQ Panel Wipe, C1 Crystal Lacquer and EXO Ultra Durable Hydrophobic Coating Kit

GTECHNIQ WM2 Microfiber Wash Mitt

- Ultra low friction glide characteristics minimise swirl marks
- Designed to hold maximum volume of wash suds

GTECHNIQ PLKL Platinum Kit

GTECHNIQ W6 Iron and General Fallout Remover

- Dissolves fallout & brake dust fast
- Does not damage coatings
- High-cling formula

GTECHNIQ W5 Citrus All Purpose Cleaner

- Removes oil and grime with ease
- Does not damage wax or coatings
- 100% biodegradable

GTECHNIQ G5 Water Repellent Coating for Glass and Perspex

- Lasts up to 4 months
- Maximum water repellency
- Easy application

GTECHNIQ HALO Flexible Film Coating

- Lasts up to two years on PPF and vinyl
- Makes surface easier to maintain
- Can be used on gloss, satin and matte finishes

GTECHNIQ I2 Tri-Clean

- Kills 99.9% of bacteria
- Powerful pH neutral cleaner
- Absorbs odours
