## NEW LAKE COUNTRY MFG PADS

### HDO Fiber Heavy Cutting Pad 3.5"

Heavy Duty Orbital (HDO®) pads are designed for long throw polishers specifically, to offer a durable DA foam pad option. The dual layer design feature incorporates the benefits and concepts of both thick and thin pads, as well as the advantages of a tapered profile and exact fit style pads. This helps create a user-friendly experience with impressive results while offering performance benefits to the operator.

SKU: HDO-350F

### Microfiber Cutting Pad White 3.25"

The NEW microfiber cutting pad uses a unique material to provide industry leading cutting capabilities, while also finishing at the same time.

- Microfiber fibers mat down less quickly which results in reduced pad temperatures.
- Foam interface design offers superior durability and performance on dual action orbital polishers.
- Foam interface offers a perfect thickness for balanced and smooth operation.

SKU: MF-325CUT
